Information & Interaction Designer + Research Assistant

I am a designer working at the intersection of human, digital product, and data, guided by strategic thinking and a curious, solution-oriented approach.

Experience

Research Assistant 2025–present FHNW HGK IDCE Basel	<i>Contributing to Text und Bild in Leichter Sprache, focusing on re-search and visual development for accessible communication, and supporting analysis, coordination, and documentation.</i>
Information & Interaction Designer 2023–present Freelance Delémont	<i>Design of web platforms, applications, and visual communication materials for public and private clients, combining strategic thinking, information design, and interaction design.</i>
Workshop Facilitator/ Speaker 2024 JDRC Conference Mendrisio	<i>Led a workshop on interface and visualization strategies and delivered a design research talk to a multidisciplinary audience.</i>
Exhibition Assistant Oct–Nov 2024 FHNW HGK, Museum Tinguely Basel	<i>Assisted with digital exhibition interfaces and visitor engagement, collaborating with curators and technicians on seamless experiences.</i>
Visual Communication Designer 2022–2023 AnDiCo Lab Münchenstein	<i>Developed visual identity systems and interface components across print, digital, and spatial formats, ensuring design coherence from concept to implementation.</i>

Education

Digital Communication Environments MA FHNW HGK IDCE 2024
Visuelle Kommunikation und digitale Räume BA FHNW HGK IDCE 2022

Competences

Technical UI/UX for web & mobile Visual & information design Data visualization Prototyping (Figma, HTML/CSS/JS) Design systems AI-assisted workflow	Strategic & Research User-centred, iterative design Requirements analysis & problem framing Research synthesis for design decisions Clear documentation
Curiosity & Adaptation Fast learner Comfortable across domains Adaptable to diverse audiences & contexts Explorative, experimental mindset	Collaboration Team-oriented Works well with developers & researchers Clear visual & verbal communication

Languages

French	Native
English	Professional fluency (C1+)
German	Elementary proficiency (A2–B1), in active progression
